

# LATIN ALPHABET SHEET

## DIRECTIONS

### Directions:

The uppercase version will be first, followed by the lowercase version. Color the big letters or use sculpting material (like Play-Doh) to fill them in!

The Etruscan letter is given which developed into the Latin letter.

Trace the Latin letter with the color of your choice!

Three key words are given for each Latin letter. Possible key word activities include:

1. Read the words and/or color the images.
2. Copy the word and draw your own image on a whiteboard.
3. Color the image, cut the Latin word and image out, and tape it in a notebook.

Find and color the correct letter inside the scripture fragment!
